

If you have guessed the identity of the Author, and there is a conflict of interest\*, and therefore you cannot accept the task of preparing the review, [reject the review invitation](#).

\* The conflict of interest shall be deemed to take place between the Reviewer and the Author if there exists:

- direct personal relationship (kinship, legal relations, conflict etc.),
- relationship of professional subordination,
- direct scientific cooperation in the past two years prior to the preparation of the review.

### 1. The statement of the Reviewer:

- ☐ I declare that I have not guessed the identity of the Author
- ☐ I declare that I have guessed the identity of the Author, but there is no conflict of interest\*

### 2. Detailed evaluation of the manuscript against other researches published to this point. Please award the points, ticking the proper place in the following table (1 - lowest rate; 6 - highest rate):
