

Covering letter

A completed photocopy of this author(s) covering letter should be submitted with the manuscript.

Title of the article:

.....
.....

The author(s) hereby confirm(s) that:

- (1) all authors have participated sufficiently in this paper to take public responsibility for its content;
- (2) all authors have reviewed the final version of the manuscript and approve it for publication;
- (3) neither this manuscript nor one with substantially similar content or research under my (our) authorship has been published or was sent for publication elsewhere;
- (4) in sending the manuscript together with illustrations and tables agree(s) to automatic and free transfer of copyright to the Publisher allowing for the publication and distribution of the material submitted in all available forms and fields of exploitation, without limits of territory or language, provided that the material is accepted for publication. At the same time the author(s) accept(s) that the submitted work will not be published elsewhere and in whatever language without the earlier written permission of the copyright holder, i.e. the Publisher;
- (5) this manuscript has been submitted with the full knowledge and approval of the institution or organization given as the affiliation of the author(s). Please have the head of institution named in affiliation (department, laboratory, clinic etc) of at least 1 author signed also below;
- (6) the authors have informed the editor (in the manuscript or in additional letter) of any commercial association that might pose a conflict of interest. The customary listing of sources of support and institutional affiliations on the title page of a manuscript is proper and does not imply a conflict of interest.
