

Special Issue Call for Papers

„The meaning of life – I will sell, buy or exchange”

Guest Editor: Anna Maria Zawadzka

The aim of the Special Issue is to explore the concept of the meaning of life and the ways people built the meaning of life in the consumer and materialism culture. Authors are invited to send the papers on topics related to meaning of life and values, consumer behavior, consumer culture, materialism, work and family.

The deadline for the submission is 31st January 2021.
