

COMPETITION

**FOR THE BEST PAPER ON THE TOPIC OF MINIMALLY INVASIVE SURGERY UNDER
THE PATRONAGE OF VIDEOSURGERY AND OTHER MINIINVASIVE TECHNIQUES QUARTERLY
AND THE SECTION OF VIDEOSURGERY OF THE SOCIETY OF POLISH SURGEONS (TCHP)**

Due to the 68th Conference of the Society of Polish Surgeons, Editor-in-chief of the Videosurgery and Other Miniinvasive Techniques (VOMT) quarterly as well as the Board of the Section of Videosurgery at TCHP are proud to both announce and launch the contest on the best paper regarding the leading topics of the Conference.

Manuscripts ought to be prepared in accordance with requirements specified by VOMT at the periodical's main website and submitted by means of an electronic panel of the journal:

https://www.termedia.pl/Journal/Wideochirurgia_i_inne_tehniki_maloinwazyjne-42

Upon electronical submitting of your work, please remember to mark the point titled "Conference competition".

Submitted manuscripts shall be revised by experts from the magazine together with Board Members of the Videosurgery Section.

The following rewards are expected for the winners of the competition:

1 place: A short presentation of paper during the session titled "Miniinvasive surgery" as well as free publication of the work at VOMT,

2 place: 50% discount on the publication payment for the work,

3 place: 30% discount on the publication payment for the work.

Other positively evaluated manuscripts shall have the opportunity to be published on normal terms and conditions.

We kindly invite, especially young surgeons, to take part in the contest.
