## SPONSORSHIP INVITATION

We have the pleasure to invite your company/organization to sponsor the **32ND EUROPEAN ACADEMY OF CHILDHOOD DISABILITY ANNUAL MEETING** that will take place in Poznan, Poland, on **17–20 JUNE 2020**.

The annual meetings of the Academy attract the participation of eminent experts and specialists working towards improving the quality of life and reducing the effects of childhood disability. The conference is estimated to draw more than 1300 Participants Worldwide.

The main goals of the conference are to present the latest knowledge, as well as diagnostic and therapeutic trends, and to create a forum for meetings and interdisciplinary discussions between specialists in the field of childhood disabilities including physicians, physiotherapists, occupational therapists, psychologists, pedagogues, and speech therapists. The problems to be addressed during the conference are centred around the difficult process of growing up and crossing the border into adulthood together with the disability persisting since childhood. The discussion will involve all the key elements supporting the process of age transition and facilitating the therapeutic management.

The conference in Poznan will be divided into four main thematic modules including musculoskeletal disorders, comorbidities, technological support of the rehabilitation process, and neuroplasticity.

The above thematic blocks will comprise pre-conference courses, plenary sessions, minisymposia, seminars, sessions and instructional workshops. In addition, we are planning a transatlantic webinar – a live transmission of orthopaedic procedures from operating rooms worldwide – entitled Mini-invasive techniques in paediatric orthopaedics.

Sponsorship is considered an efficient method to promote your company/organization. As a sponsor of the **32ND EUROPEAN ACADEMY OF CHILDHOOD DISABILITY ANNUAL MEETING** you will have the opportunity to present your company/organization in a professional and focused environment where your message will be duly appreciated. The EACD conference offers a variety of sponsoring opportunities to reach your target group.

### MAIN SPONSOR BENEFITS:

- An opportunity to reach an international and influential audience
- Increase your visibility and good reputation amongst relevant technical professionals
- Create goodwill for your company/organization
