The 2nd Conference on Psychology of Femininity and Masculinity, and Close Interpersonal Relationships

Women - men - close relations: Now and then

We are pleased to announce the 2nd Conference on Psychology of Femininity and Masculinity, and Close Interpersonal Relationships, which will be held on 18-19 October 2018 in the University of Silesia in Katowice. This year's leading theme is Women - men - close relations: Now and then.

Our Conference aims at focusing on gender roles and close interpersonal relationships. We invite proposals on patterns of experiencing masculinity and femininity, ways of establishing and functioning of close interpersonal relationships and their evolution in constantly changing social reality.

Our Conference is intended as a forum for theorists and researchers working in the fields such as psychology, pedagogy, sociology and family studies, providing opportunities for multidimensional analysis of old and new problems related to gender role performance and establishing of interpersonal relations.
